24. Do you expect an increase or decrease in your expenses within the year after you file this form?

For example, do you expect to finish paying for your car loan within the year or do you expect your mortgage payment to increase or decrease because of a modification to the terms of your mortgage?

☐ No.

☒ Yes.

Explain here: Upon the removal of liens that should no longer be on Debtors home in King of Prussia, debtor will be applying for a reverse mortgage. The debtor has in excess of 50% equity in the property and is over 65 years of age. As hearings must be scheduled for 2 of the liens, 1 which must follow the other, The debtor expects that legal process to take a minimum of 6 months.

RE: Schedule I  
Subject –Item 13 responses

Debtor will be applying for Social Security benefits within the next 4 months. Presently, debtor quality's for \$1340 a month at full retirement age, December 20, 2017, per Social Security Administration records. Their records are not complete. The Administration did not include income for years where debtor's income did not require his filing taxes. Additionally debtor's benefit calculations do not include his x-wife's income of 17 years which should be included in debtor's income calculations. Her income was in excess of 15 times debtor's income for those 17 years. This will increase Debtors monthly payment considerably. The exact amount will have to be calculated by the Administration.

Also, upon completion of some repairs to the property, hopefully by year's end, debtors plans to bring in a roommate to his home in King of Prussia. Comparable rentals in the area would put the unit's value at a minimum of \$500 per month.

Sincerely,

Gary Grimm
